

Namo Web Editor Control 6 Developer's Guide

Web Editor Control 6 Index

Web Editor Control 6 Index

Below is the keyword list for Web Editor Control 6's menus and toolbars. Keywords are useful for describing or reading contents on menus or toolbar features in the initiation file. They also help you use each menu or toolbar command and the corresponding shortcut menus.

1. Keywords are not case-sensitive. The under score in keywords (_) can be omitted.
2. MenuGroups are written in plural.

- MenuGroup Menu Group (only in Menu)
- Menu Toolbar Menu and Toolbar
- Menu Menu Only
- Toolbar Toolbar Only (only on Toolbars)

Category	Keyword	Shortcut Key	Related Menu	Button Index
